

HOW YOUR SPONSORSHIP SUPPORT IS CHANGING LIVES!

Your donation to Suncoast Charities for Children impacts seven local non-profit agencies that support the needs of over 8,000 local children, teens, and adults with special needs and their families. Below is a summary of recent allocations made to these agencies.

New Preschool Cribs & Toddler Cots / Installation of In-House Garden

Over 48 preschool children (3-5 years) and toddlers will be able to enjoy new pack & play cribs, toddler cots, and access to evacuation cribs.

The installation of a new in-house garden at the Venice Campus location will allow 123 preschool children to enjoy on-site field trips and provide an environmentally focused curriculum.

Summer Scholarships / Feeding At-Risk Children / Outdoor Art Area

Over 86 preschool students can continue learning during the Summer. The Growing Healthy Kids Program provides approx. 17,312 meals and 8,656 snacks to at-risk preschool children with disabilities.

Over 200 clients a week will now be able to enjoy an outdoor art area.

New Playground Equipment

Climbing tunnels and a new slide were installed at the Sarasota Campus location impacting over 30 preschool students (6 weeks-5 years) at the Starfish Academy.

New Laptop Computers & Wellness Equipment

Two-in-one laptop computers purchased will help over 140 clients with disabilities to strengthen their communication, daily living, and social skills.

New wellness equipment will allow over 150 clients with disabilities to continue to stay physically fit and healthy.

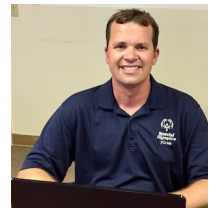

New Summer Sports Equipment / Summer Camp For Special Athletes

Sports equipment will provide continued sports training and competition to over 120 clients with intellectual disabilities.

Funding will help support a first-ever two-week Summer Camp for special athletes in Sarasota County in 2023.

New Baseball Batting Helmets

Batting helmets will provide safety to over 200 clients with physical and/or cognitive challenges.

- Funding support to the Haven for two new group homes for aging adults with developmental disabilities that have developed Dementia/Alzheimer's (Sarasota Campus).
- Installation of new hurricane-proof windows and doors, new air conditioning units, new electrical panel, and structural repairs at The Florida Center for Early Childhood (Sarasota & North Port Campus).
- Replacement of flooring at Children First (Venice Campus). • Upgrades to the Sertoma Speech Clinic in Venice.
- Renovations at the Venice Sports Complex utilized by The Haven.
